## **1. INTRODUCTION**

### **1.1 CONTENT OF THIS DOCUMENT**

This document presents the functions of Evaluetor. Screenshots of the functions are presented in a logical order.

### **1.2 READING GUIDE**

### **1.3 OBJECTIVE**

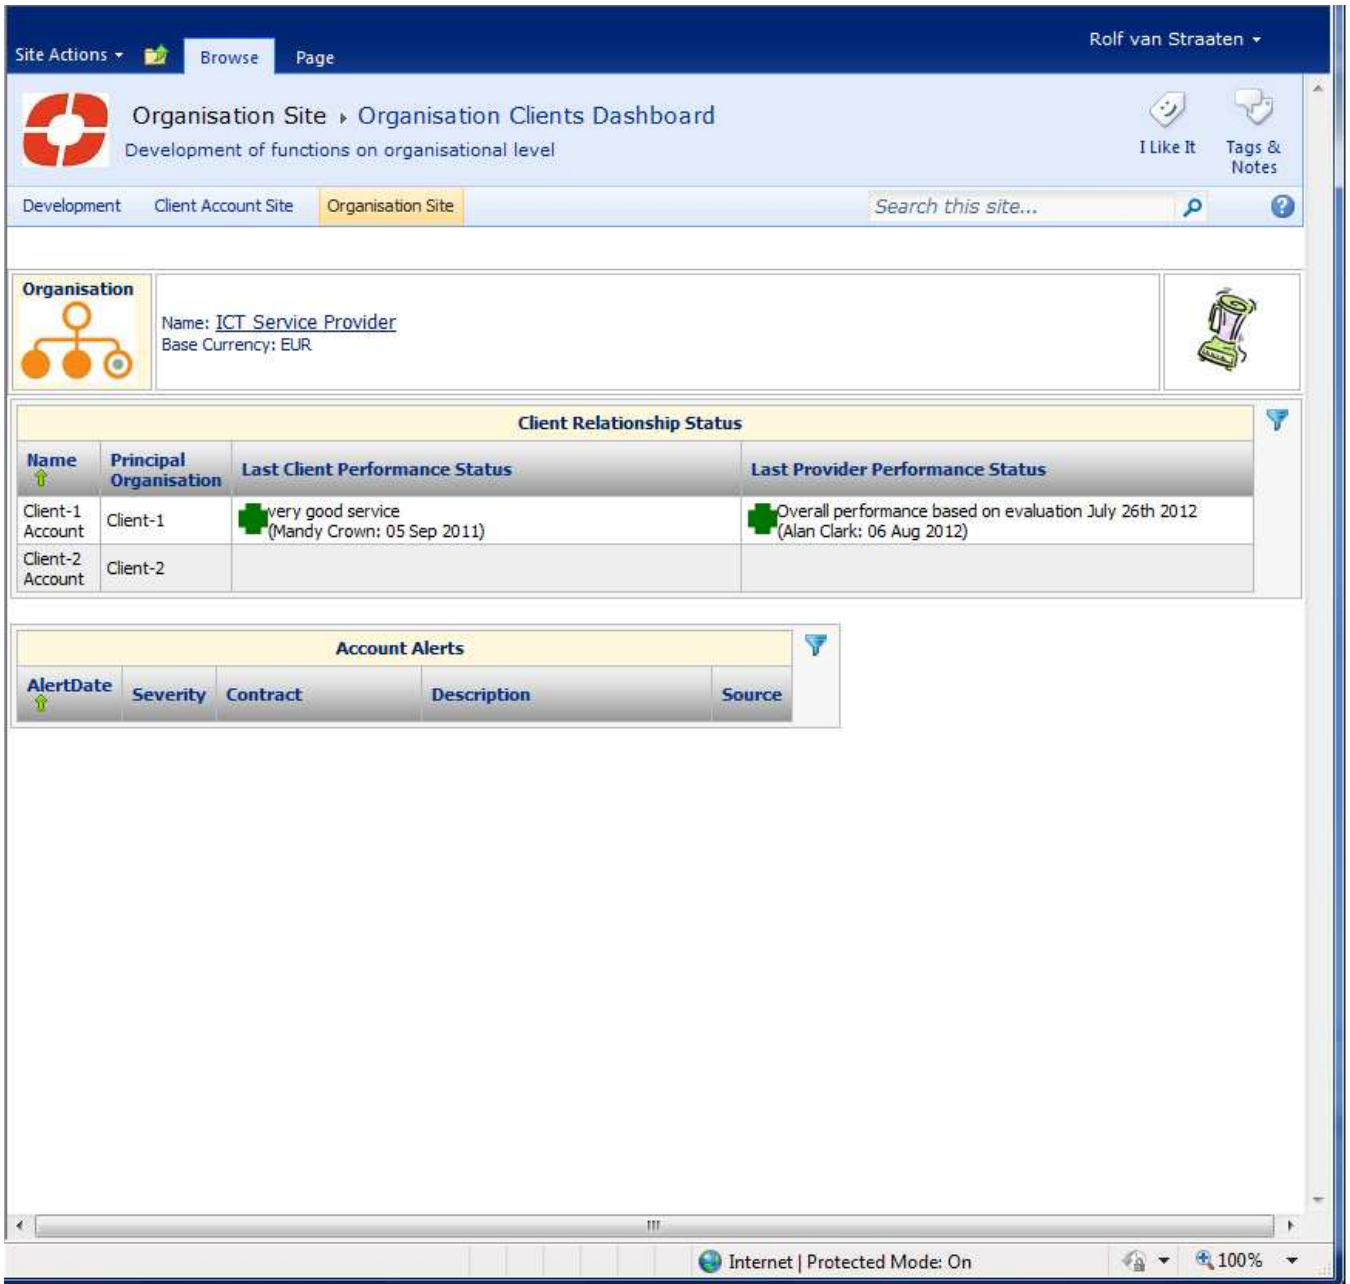

The Objective of this document is to give a brief impression of the functionality of Evaluetor

CONFIDENTIAL

## 2. ORGANISATIONAL LEVEL FUNCTIONS

### 2.1 ORGANISATION CLIENTS DASHBOARD

Display all client relationships for an organisation

The screenshot shows the 'Organisation Clients Dashboard' in the Senority system. The top navigation bar includes 'Site Actions', 'Browse', and 'Page'. The user 'Rolf van Straaten' is logged in. The dashboard title is 'Organisation Site > Organisation Clients Dashboard' with the subtitle 'Development of functions on organisational level'. Below the title, there are tabs for 'Development', 'Client Account Site', and 'Organisation Site'. A search bar is present with the text 'Search this site...'. The main content area is divided into two sections: 'Organisation' and 'Client Relationship Status'. The 'Organisation' section shows the name 'ICT Service Provider' and base currency 'EUR'. The 'Client Relationship Status' section contains a table with columns: Name, Principal Organisation, Last Client Performance Status, and Last Provider Performance Status. Below this, there is an 'Account Alerts' section with a table with columns: AlertDate, Severity, Contract, Description, and Source.

### 3.3.4 CLIENT KPI EVALUATIONS

Client Officers can create Evaluations for the Relationship by Scoring the Defined Key Performance Indicators. Approved evaluations are input for the Client Performance Status.

The screenshot displays the 'Client KPI Evaluation' interface within the Senority system. The top navigation bar includes 'Site Actions', 'Browse', and 'Page' tabs, with the user 'Rolf van Straaten' logged in. The main header shows 'Client Account Site > Client KPI Evaluation' and 'Maintain Client scoring of KPI's'. Below this, there are tabs for 'Development', 'Client Account Site' (selected), and 'Organisation Site', along with a search bar.

The interface is divided into two main sections: 'Client side team members' and 'Client Evaluations'.

**Client side team members**  
 Maintain the team members of governance teams representing the client.

| GovernanceTeam                  | Officer     | Role                  | Authority Level |
|---------------------------------|-------------|-----------------------|-----------------|
| Client-1 Account Team           | Mandy Crown | ICT Director          | Member          |
| Client-1 Account Team           | Mary Pins   | Application Manager   | Member          |
| Client-1 Account Team           | Kurt Humler | Data Centre Manager   | Member          |
| Client-1 Apps Delivery Team     | Mary Pins   | Application Manager   | Member          |
| Client-1 Executive Sponsor Team | Kurt Humler | Services manager      | Member          |
| Client-1 Executive Sponsor Team | Mandy Crown | Contractmanager       | Member          |
| Client-1 Infra Delivery Team    | Kurt Humler | Data Center Manager   | Member          |
| Client-1 Survey Team            | Mary Pins   | Participant           | Member          |
| Client-1 Survey Team            | Kurt Humler | Participant           | Member          |
| Client-1 Survey Team            | Mandy Crown | Executive participant | Member          |

**Client Evaluations**  
 Create/Modify Evaluations; unapproved Evaluations may be changed/deleted

| Officer     | Description       | Date        | Scoring Status | CompositeBar           |
|-------------|-------------------|-------------|----------------|------------------------|
| Kurt Humler | Initial interview | 09-apr-2012 | Complete       | <div><div></div></div> |
| Kurt Humler | Second interview  | 27-jul-2012 | Incomplete     | <div><div></div></div> |

**KPI Scoring**  
 Maintain scorings for selected Evaluation

| Seq. | Performance Indicator | Weight | Value | Symbol | Comment |
|------|-----------------------|--------|-------|--------|---------|
|------|-----------------------|--------|-------|--------|---------|

**Performance Evaluation Approval**  
 ?Completed Evaluations must be approved to release to the team leader

| Officer     | Description       | Date        | CompositeBar           | Approval | Remarks |
|-------------|-------------------|-------------|------------------------|----------|---------|
| Kurt Humler | Initial interview | 09-apr-2012 | <div><div></div></div> |          |         |

The bottom of the screenshot shows the browser status bar with 'Internet | Protected Mode: On' and a zoom level of 100%.

### 3.3.5 CLIENT PERFORMANCE STATUS

Periodically review Evaluations and publish status based on approved Performance Evaluations.

### 3.4.2 CONTRACT DELIVERABLES, THRESHOLDS AND ALERTS

You can maintain a list of contract deliverables and threshold values that are important to manage and evaluate regularly; additionally you can set Alerts for possible events that you want to be reminded on.

The screenshot displays the 'Account Contract Definitions and Alerts' page in a web browser. The interface includes a top navigation bar with site actions like 'Edit Page', 'Permissions', 'E-mail a Link', 'Alert Me', 'Approve', 'Reject', 'Workflows', 'Edit Mobile Page', 'Make Homepage', and 'Title Bar Properties'. Below this, a 'Client' section shows 'Client Organisation: Client-1' and 'Name of Relationship: Client-1 Account'.

The main content area is divided into two sections: 'All Contracts for Account' and 'Details of Selected Contract'.

**All Contracts for Account**

| Label         | Reference                                  | Contract type    | Start Date  | End Date    | Status |
|---------------|--------------------------------------------|------------------|-------------|-------------|--------|
| C001-Client-1 | Contract Workplace Management for Client-1 | Master Agreement | 01-Jul-2010 | 01-Jul-2015 | Active |

**Details of Selected Contract**

Details of the selected Contract are shown below

| Label         | Reference                                  | Contract type    | Start Date  | End Date    | Status |
|---------------|--------------------------------------------|------------------|-------------|-------------|--------|
| C001-Client-1 | Contract Workplace Management for Client-1 | Master Agreement | 01-Jul-2010 | 01-Jul-2015 | Active |

**Maintain Contract Definitions**

Add or change definitions below. Definitions may be boundaries/thresholds in time or a numerical value as they are defined in the contract.

| Label           | Description                                        | Date        | Number | Text        | PortfolioService   |
|-----------------|----------------------------------------------------|-------------|--------|-------------|--------------------|
| Benchmark       | Client-1 is allowed to perform a benchmark every 2 | 03-Sep-2012 | 1      | clause 13.1 |                    |
| Desktop Service | Desktop service in europe                          |             |        |             | Desktop management |

**Maintain Contract Alert Rules**

Alert rules may be set as reminder for action relative to definitions

| Label           | Description                        | Severity | Periods | Interval | Operator | Related Definition | AlertDate |
|-----------------|------------------------------------|----------|---------|----------|----------|--------------------|-----------|
| Benchmark alert | Alert to initiate Benchmark proces |          |         | Week(s)  |          | Benchmark          |           |
